

Summer(works) school

The 2007 Summerfest Toronto theatre festival includes Michelle D'Alessandro Hatt's *Conscientia*, which debuted at the 2006 New Ideas festival. Directed by Jane Moffat, and featuring local St. Lawrence actor Kevin Risk, *Conscientia* opens Aug. 3 at the Factory Studio Theatre. English professor Nathan (Richard Alan Campbell, left) hates teaching, but loves Latin, Sinatra and solitude. A new term brings unwanted change in the form of a vivacious colleague, Karen (Mary Krohnert, right). Visit summerworks.ca for details. —*Duncan McAllister*
